### Meet the Team

Here at Moats Way Equestrian we have an enthusiastic team that is dedicated to providing the best possible care for all of our liveries. We thought you'd like to meet them...

**Marsha** came to work for us in 2012 after completing a Level 3 in Horse Management. Since then she has achieved her Riding and Road Safety Exam, NVQ Level 2 in Horse Care, passed her BHS Stage 1 with distinction, and is currently working towards an NVQ Level 3 in Horse Care with KEITS, and her BHS Stage 2. Marsha has worked extremely hard since joining us, and has now worked her way up to a Senior Groom.

**Jo** joined the team in 2014, and previously worked at the National Stud where she completed a Modern Apprenticeship obtaining an NVQ level 2 in Racehorse Care. In 2008 she became Head Girl at Link Farm in Surrey, working with dressage horses and undertook some stud work. She has also travelled to Australia to work on a Stud for a season. Jo is now working towards an NVQ Level 3, and alongside Marsha oversees the daily running of the yard and care of the horses.

### And Our Newest Member of the Team... Chloe!

This month would like to wish a warm welcome to our newest member of the Moats Way team!

Chloe has previous experience in busy showing yards assisting in the production of show horses for top events such as HOYS.

Chloe gained a National Diploma in Horse Management at the College of West Anglia in 2012 as well as her BHS Stage 1 Riding and Care, before embarking on some travel and a season Snow Boarding in France.

We are looking forward to helping Chloe work towards an NVQ qualification and continue gaining her BHS exams.

"I have only been at Moats Way a short time but I am really enjoying it because of its high standards and friendly atmosphere. I am looking forward to getting to know all the lovely horses more and also starting to work towards an NVQ Qualification."

## Chad's Chat

Hello... My name is Chad and I've been living at Moats Way for over 4 years now. I'm going to be bringing you all the yard gossip every month, from the horses, their mums (or dads) and even the dinner ladies! I love the dinner ladies!

So, first of all I will start with me - I'm an eventing diva and I love nothing more than to gallop around over cross country fences. I'm very brave, but I've heard my mum say I'm a "big girl's blouse" and a "wuss"; I've no idea what she means? Perhaps she is talking about the hidden dragons that I spook at, in the corner of our lovely arena at the yard; they are very scary. Anyway, I think I've been quite successful with my Mum and recently with Boss Claire who owns this place.

Boss Claire makes me work harder at this Stressage malarkey, and I have to jump bigger fences, but I don't mind that part. We came 3<sup>rd</sup> at Norton Disney in the BE100, the first time I tried that level. Didn't I do well?!?! I got lots of pats and kisses and extra polo mints that day... yum!

Well, I'd better go now as it is time for my massage; it's a hard life here at Moats Way!

See you next time with some gossip from one of my pals.

Love Chad x
